Dear author,

Your corrections are not aligned with our request. Please do the corrections with maximum care and follow our instructions while doing the job. Otherwise, unexpectedly, the article will be moved to the next issue because we are almost done with our December issue. Please reply with the corrected version ASAP.

Editor

Dear author,

Please follow our instructions for revising the article.
You have not followed our suggestions. For example, in the text, you have a total of 52 references, but in the reference section, you have 51 references, etc.
A file is attached to this email.

Dear Editor JAVAR

First of all, we would like to say thank you for publishing our research article in volume 9 issue 1, and we have read it but the formula section is not visible and there are still comments inside. Could you fix it?. thanks very much.

Regard.
