Dear Sukarno,

Greetings

Thank you for the revision.

As per our guidelines after the initial check the article goes through two peer review process.

Firstly the article is send to two reviewers simultaneously for content and quality analysis.

In the next step it is forwarded to the Editor in Chief for final approval.

Once approved at both levels then only it is accepted for publication.

This whole process takes time(5-6 weeks). We will update you accordingly.

Your patience will be deeply appreciated.

Best Regards

Dear Author,

Greetings

Thank you for the submission.

Attached is the similarity report of your paper.

Please reframe the highlighted sentences using new words and make sure all the sources mentioned have been properly cited.

The similarity should not be more than 15%.

Also send us ORCID ID's of all the authors. If you do not have an ORCID ID, please register for an ORCID ID at the link below, so that you can have a unique identifier which will tie you to your work and distinguish you from other researchers. It's easy, free and will come useful on any manuscript or grant submissions.
