Dear Mr Andriyono,

Your manuscript entitled "Complete mitochondrial genome of Staghorn Damselfish, *Amblyglyphidodon curacao* (Pisces Perciformes, Pomacentridae)" has been successfully submitted online and is presently being given full consideration for publication in Mitochondrial DNA Part B: Resources.

Your manuscript ID is TMDN-2019-0076.

Please mention the above manuscript ID in all future correspondence or when calling the office for questions. If there are any changes in your street address or e-mail address, please log in to ScholarOne Manuscripts at <https://mc.manuscriptcentral.com/tmdn> and edit your user information as appropriate.

You can also view the status of your manuscript at any time by checking your Author Centre after logging in to <https://mc.manuscriptcentral.com/tmdn>.

Thank you for submitting your manuscript to Mitochondrial DNA Part B: Resources.

Sincerely,
Mitochondrial DNA Part B: Resources Editorial Office

Mitochondrial DNA Part B: Resources - TMDN-2019-0076 - APC Waiver Approved Inbox x

Mitochondrial DNA Part B: Resources <onbehalf@manuscriptcentral.com>
to me
18-Jan-2019

Dear Mr Andriyono,

Your request for a waiver of the Article Publishing Charge (APC) for the above referenced manuscript, entitled "Complete mitochondrial genome of Staghorn Damselfish, *Amblyglyphidodon curacao* (Pisces Perciformes, Pomacentridae)" has been approved. You selected the following option: "Group B Waiver"

If you provided a discount code or requested a discretionary waiver, you should receive an email confirming the article publishing charge that will apply if your submission is accepted for publication.

Please note that this does not mean that your paper has been accepted for publication.

The manuscript will now enter peer-review process and the Mitochondrial DNA Part B: Resources Editorial Team will be in contact regarding any decisions made on the paper.

Best wishes,
William Mead,
Open Access Team, Taylor & Francis / Routledge Journals

Mitochondrial DNA Part B - Please complete your author agreement Inbox x

authoragreement@taylorandfrancis.com to me

Fri, Feb 22, 2019, 5:41AM

Your Author Publishing Agreement (APA) with Taylor and Francis

Attention: Sapto Andriyono

Hello,

In order to publish your article, "Complete mitochondrial genome of Staghorn Damsel, *Amblyglyphidodon curacao* (Pisces: Perciformes, Pomacentridae)", we ask that you complete your Author Publishing Agreement. Please click the link below (or copy the URL into your browser) to launch our online Author Publishing Agreement portal. The process should take only a few minutes. In most cases, you will receive immediate notice that your agreement is accepted and will be able to download a copy of it for your records.

Please do not reply to this email. If you need immediate assistance concerning your article, please instead contact TMDN: production@journals.tandf.co.uk

Thank you.

Your article proofs For review (Manuscript ID: TMDN 1586487) Inbox x

tandfjournals@cenveo.com to me, TMDN-production

Thu, Feb 28, 2019, 12:18AM

Manuscript Title: Complete mitochondrial genome of Staghorn Damsel, *Amblyglyphidodon curacao* (Pisces: Perciformes, Pomacentridae)
Manuscript DOI: 10.1080/23802359.2019.1586487
Journal: Mitochondrial DNA Part B: Resources

Dear Sapto Andriyono,

I am pleased to inform you that your proofs are now available for review using the Taylor & Francis online proofing system:
<http://smartproof.cenveo.com/SmartProof-#/>

Username: your e-mail address
Password: 7d8d97625c4b

Please submit your corrections within 3 working days, to avoid delays in publication.

Corrections must be limited to answers to the Author Queries, typographical and essential corrections only.

After we have received your corrections and Author Publishing Agreement, your article will be corrected and published online within 10 working days.

The DOI of your paper is: 10.1080/23802359.2019.1586487. Once your article has published online, it will be available at the following permanent link: <http://dx.doi.org/10.1080/23802359.2019.1586487>

If you have any questions, please contact me using the details below and I will be pleased to assist.

Thank you,
Anupam Ray

Dear Mr Sapto Andriyono,

Ref : Complete mitochondrial genome of Staghorn Damsel, [Amblyglyphidodon curacao](#) (Pisces:Perciformes, Pomacentridae)

DOI: 10.1080/23802359.2019.1586487

Congratulations on the acceptance of your paper.

Publication in the journal is subject to payment of an APC (article publishing charge). You have already accepted responsibility for payment of this charge, please find attached your APC invoice. Should you have any queries on this document, please don't hesitate to contact us.

To pay by credit card online please click [here](#).

Once published online your paper will be made Open Access in perpetuity, available to anyone, anywhere, at any time.

A number of institutions have signed up to a prepayment or Open Access partner scheme with Taylor & Francis. See <http://www.tandfonline.com/page/openaccess/members> for a full list; if you are affiliated with one of these institutions please inform us by replying to this email.

For more information around our Open programme, please visit <http://authorservices.taylorandfrancis.com/publishing-open-access-with-taylor-francis> which contains a wealth of information and resources, including information on how to promote your paper and optimise citations once it is published online.

Kind Regards,

Alloon Goh

Taylor & Francis author update: access to your article published in an issue of Mitochondrial DNA Part B

info@tandfonline.com info@tandfonline.com via literatumonline.com Wed, Mar 6, 2019, 5:56AM

The online platform for Taylor & Francis Group content

Author Services | FAQ | Twitter | Facebook

Dear author,

Your Open Access article, [Complete mitochondrial genome of Staghorn Damsel, Amblyglyphidodon curacao \(Perciformes, Pomacentridae\)](#), published in Mitochondrial DNA Part B, Volume 4 Issue 1, is now available to access via [tandfonline.com](#)

Share your article now

You'll hopefully want to share your article with friends or colleagues (and then check its downloads, citations and Altmetric data on Authorised Works, our dedicated center for all Taylor & Francis published authors). Publishing Open Access means your article can be read by anyone, anywhere, and we want to work with you to ensure it reaches as wide (and as appropriate) an audience as possible.

Author feedback tells us that something as simple as posting about your article's publication on social media is a highly effective way of highlighting your research. Find out more about how you can work with us to promote your work.

Not sure how to access your Authorised Works?
